Step 6: Some transfer courses directly take the place of courses offered at WVU. Courses that are listed as **OPEN CREDIT** provide WVU credits but will not give you credits toward your major. However, you may be able to provide the syllabus of the transfer class to the appropriate WVU department chair to be considered for credit.

Step 7: If your college is not listed in TES, please contact your admissions counselor who is responsible for your home county, region, or state. Find your admissions counselor at http://www.admissions.wvu.edu/counselor.
