

# Undergraduate Admission Application

Nonrefundable application fee (\$45.00)

## Apply Early

Your application is very important to us, and for that reason we ask you to mail it as early as possible. Once we have received your complete application, you will hear from us concerning your admission decision and receive important WVU information. If you have any questions, please feel free to call us at 304-293-2121, email us at [wvuadmissions@mail.wvu.edu](mailto:wvuadmissions@mail.wvu.edu) or write us at the Office of Admissions, West Virginia University, PO Box 6009, Morgantown, WV 26506-6009. You can apply online at [admissions.wvu.edu](http://admissions.wvu.edu).

## College Freshmen

- Apply early — preferably by February 1. Be sure to complete all the information on the application, and include the nonrefundable application fee.
- Send official transcripts of your previous coursework to WVU. You can send these with your application or have your high school send them separately. Also send official transcripts of any college work you have completed.
- Students who have graduated within the last five years or whose expected graduation date was within the past five years must submit ACT or SAT scores. When you register for the ACT or SAT, arrange for them to report your scores to WVU (ACT 4540 and SAT 5904). If you've already taken the ACT or SAT but didn't specify that WVU receive your scores, contact ACT or SAT and request to have your score sent to WVU. This can also be done on their websites. WVU combines the highest SAT sub-scores from different test dates to create a "superscore" total or composite for admissions and scholarship consideration eligibility. WVU does not require you to take the optional written component of the ACT examination.
- TASC/GED scores may be used for admission consideration. You need to submit an average standard score of 225 (45) or above for consideration. TASC/GED scores and an official high school transcript may be used for admission consideration.
- If you're worried that events beyond your control could affect your chances for admission, write a note of explanation and include it with your application. WVU has a committee that considers special circumstances.

## Transfer Students

- If you have attended another college or university after graduating from high school, you are considered a transfer student. If you took college classes while in high school or the summer after your senior year of high school, you are considered a freshman.
- If you are a transfer student, please complete all the information on the application and forward your official transcripts from all previously attended institutions along with the nonrefundable application fee to the Office of Admissions. Transcripts issued directly to you or fax transcripts are not considered official. If you have completed fewer than 24 transferable credits when you apply, please submit high school transcripts and ACT or SAT scores. Please include catalog pages describing college courses completed.

- Students transferring from WVU regional campuses do not need to pay the application fee or include catalog pages describing courses.
- Transfer students must have an overall grade point average of 2.0 or higher. Some majors require a higher GPA and completion of certain academic requirements. If possible, apply for admission a full semester before your admissions deadline but no later than August 1 for the fall semester or December 1 for the spring semester.

## Other Types of Undergraduates

- Early admission is granted for high school students who have completed their junior year with at least a 3.5 GPA, 26 on the ACT or 1170 on the SAT, and completed all high school graduation requirements except senior English. Your high school transcript and letters from your parent or guardian and the principal or counselor supporting your application and certifying you will graduate from high school must be submitted. An interview is also required before admission is granted.
- Nondegree students are in one of the following categories:
  - 1) applicants who do not plan on working toward a degree immediately;
  - 2) applicants who have been out of high school for more than five years, but do not meet current requirements; or
  - 3) applicants seeking additional undergraduate credits or seeking prerequisites for a degree program.Please submit high school transcripts and any official transcripts from previous colleges or universities.
- Readmission is for students who leave WVU for at least one semester. In order to be readmitted, you must be eligible to return. Eligibility is based on your GPA at WVU and at other institutions attended. Please send official transcripts from any institution attended since leaving WVU.
- Second degree students are students who wish to complete a second undergraduate degree. Please submit official transcripts from all colleges and universities previously attended.
- Visiting/transient students are students who wish to transfer WVU credit back to their home institution. The application can be found at [admissions.wvu.edu](http://admissions.wvu.edu).
