

FIND YOUR FUTURE HERE.

You may not know yet where your journey will take you, but one thing is certain. It all starts now. Finding your path to the future you've dreamed of is just one choice away at West Virginia University's Keyser campus.

WVU POTOMAC STATE COLLEGE

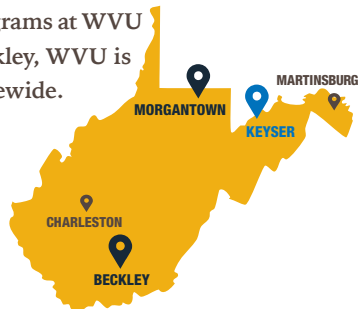

Attending WVU Keyser is a smart way to launch your WVU career. It means you earn the same WVU degree on our Keyser campus as you would at our flagship campus in Morgantown. From two-year to four-year degrees, you can major in everything from sustainable agriculture entrepreneurship to business administration to nursing. You can also continue your education on any of our other campuses easily with a change of campus form.

DID YOU KNOW?

All WVU Keyser classes are taught by faculty.

THE WVU SYSTEM

The West Virginia University System includes three campuses united by a single mission: to provide a quality education. From the life-changing research of our R1-designated flagship campus in Morgantown to the caring, student-centered focus of WVU Keyser to the technology-intensive programs at WVU Beckley, WVU is statewide.

WVU KEYSER HAS OPEN ADMISSIONS

a high school diploma from an accredited high school or GED is required.
